Now is the Time for Men's Madras and Percale Shirts

Negligee Shirts are worn the year around, but for many men the first week of autumn generally means the passing of the soft shirt and the dilling of their chifferons with carefully selected negligee of a more conservative kind, and about the same time they usually evince an interest in brown neckwear tones. Some very pleasing new shirts in madras and percales, pleated and in tasteful stripes at \$1.00. We have a large number of these, for we expect a large demand and the pattern variety is extensive.

Prepare for rainy day—Beautiful Silk Umbrellas

A Silk Umbrella for 98c. Yes, and a good one, too, the best we have offered at this price. There are styles for both men and women in this "just in" assortment. That is, they are umbrellas with long, slender handles and some with conventional crook handles. But they are all..... 98c.

In each garment lies the secret of success of our widely popular Suit Section. No garment offered that Dame Fashion has not stamped with approval.
